## MASQUE PARTY

Mr. John Zweigart entertained about 30 of his friends at his home in the West End last night. All of the guests were very appropriately masqued for the occasion and much merriment was caused in endeavoring to ascertain the identity of the more clever maskers.

## POLICE COURT

In Police Court yesterday afternoon Albert Carson was fined \$8.50 for being drunk. Gilbert Edwards, charged with violating the traffic laws, was fined \$12.50.

## TWENTY CENT TOBACCO

Mr. O. G. Callahan of Helena was a visitor in this city yesterday and while here visited the Ledger office. He informed us that he had just sold 6,000 pounds of tobacco to Mr. Mark Hendricks of Fleming county at 20 cents. This is the highest price we have heard of for tobacco this fall. Mr. Callahan has long been noted for raising good tobacco and this bears it out.

## THANKSGIVING DAY

Will Mark the Dedication of the New Consolidated School at Washington. Program Will Be Announced Later.

Announcement has been made that the dedication of the Washington Consolidated School will in all probability occur on Thanksgiving Day. The program for the day will be announced later.

The work on the new school is about completed. Some little plastering remains to be done and the wood-work and the placing of the desks in the various rooms are yet to be finished. The trustees of the school had hoped to have the building ready for service at the beginning of the school term, but on account of the scarcity of labor throughout the county their hopes were not realized.

The school, when entirely finished, will be one of the largest of the schools outside of the City of Maysville. There will be both the grade and high school departments to the school, thus enabling a student to get a very thorough course. The building is three-story and built of brick. It is situated in the center of a ten-acre campus. The building will have all of the modern conveniences.

The arrangements for the dedication exercises have not been fully made out, but it has been decided to hold the exercises in both morning and afternoon. At the noon hour a dinner will be served. Several prominent speakers will be secured for the occasion. The day promises to be one that will long be remembered by the residents of the Washington district.

## ASSURED SUCCESS

Maysville's Great Tobacco and Corn Fair Promises to Be an Event of Great Importance.

Whoop it up! Gee but the business men of Maysville are liberal. In the first day's canvass more than \$1,000 was subscribed to the fund of \$1500 necessary to make Maysville's Tobacco and Corn Fair to be held at the Liberty Warehouse on November 23-24-25 a success. The committees are enthusiastic over the receptions they are receiving and expressions have been heard from all sides saying "this is the best move that has been made in Maysville for many years."

The committee in charge of subscriptions are grateful to those solicited and appreciate the donations received from everyone.

Work by the other committees is progressing nicely and everything is being shaped up to make this event one of the greatest ever seen in Maysville.

The slogan has been selected. Mrs. L. H. Veale being the successful contestant by having this unique slogan: We can, we will—Tobacco Fair Maysville.

In making the selection, the committee went carefully over the hundred or more slogans received and while many of them were unique and catchy, yet many others exceeded the word limit, while others did not catch the idea that a slogan was wanted for the Fair only and not for Maysville. The decision was close and it took some time for them to get together and decide.

The Publicity Committee held its meeting yesterday afternoon and have decided as to what form of advertising will be done and other things, all of which will be announced in due time.

The name of those contributing money for the success of this Fair will be announced in detail by the latter part of this week.

Boost-Plug and Pull for the success of Maysville's Tobacco and Corn Fair. Don't forget the dates November 23-24-25. Don't forget the place—LIBERTY WAREHOUSE.

PUBLICITY COMMITTEE.

## GOLDEN WEDDING

Being Quietly Celebrated Today By Rev. and Mrs. Joseph M. Evans of Limestone Street.

Today at their home on Limestone street Rev. and Mrs. Joseph M. Evans are quietly celebrating their golden wedding.

Rev. Mr. Evans was born in Nicholas county December 21, 1836, and was married to Miss Alice Wortley Humphreys, who was born in this county October 21, 1840, on November 1, 1866, by Rev. J. H. Condit, pastor of the Washington Presbyterian Church.

To this union were born five children, only two now living, Mrs. George S. Bruce and Mr. Joseph Wood Evans, both residing at Houston, Texas. There are five grandchildren, one of them being married—Mrs. Bruce W. Brown of Glendale, Ohio, she having two children.

Rev. Mr. Evans probably enjoys a wider acquaintance in the state of Kentucky than any other preacher. He has been an evangelist for a number of years, and during this time has attained a record that he certainly should be proud of. He has preached 15,827 times, and has been instrumental in bringing into the Presbyterian Church 9,647 persons; has directly conducted the building of thirty churches and indirectly twenty others. He has just returned from preaching and visiting for the past twenty-two days, and says that he was stronger and his voice clearer at the close than at the beginning.

To Rev. and Mrs. Evans the entire community extends the warmest congratulations on this, their fiftieth wedding anniversary, and hope that they may be spared many years to enjoy the fruits of their splendid and useful lives.

## DEUTSCHLAND IN U. S. PORT AGAIN

New London, Conn., November 1.—The German submarine Deutschland arrived in harbor here early this morning. Captain Koeling said the Deutschland left Bremen on October 10 and made the trip here without special incident. The entire crew comprises twenty-five men. The Deutschland appeared in the outer harbor shortly after midnight and proceeded to the docks of the Eastern Forwarding Company.

Captain F. Hinsch, of the forwarding company accompanied by Dr. R. E. Black, the health officer, and other officials met the submarine on a tug. The usual quarantine regulations were waived and the Deutschland tied up at the dock near the North German Lloyd steamer Wille had. The Deutschland was said to have a large cargo of chemicals aboard.

## LARGE CROWDS OUT

A large crowd was present on the streets last night, many of whom were dressed in approved Halloween costumes. Parties in various parts of the city drew many, all of whom costumed appropriately. Many weird and fantastic figures graced the streets. True revelers were not bothered by the police as long as they did not destroy any property.

## PUMPING OUT WELL

Workmen were busy yesterday pumping out the old well opposite the Risk on East Second street. The well will be pumped entirely dry, covered with sheet iron and street car rails and then concreted over. When this work is finished, the original contract of Vaseline, Noland & Lowrey will have been completed.

## THE LAST CHAPTER

The final chapter of "The Secret of the Submarine" will be shown at the Pastime today. This is the most thrilling one in the entire series. "The Indian" will also be shown.

## SOME SHOPPERS BUY THE PRICE

A THING IS NOT NECESSARILY CHEAP BECAUSE SOME ONE ADVERTISES "\$5.00 FOR A \$10.00 THING-MA-JIG." DO NOT MERELY BUY "PRICE." GIVE REAL SERIOUS THOUGHT TO THE PRICE OF COURSE.

TRY TO SAVE, BUT WHEN YOU BUY, BE SURE AND BUY THE GOODS, NOT PRICE. GIVE QUALITY YOUR CHIEF THOUGHT.

A SMALL BOY IN WRITING A COMPOSITION SAID, "PINS HAS SAVED MANY LIVES, BY PEOPLE NOT SWALLOWING THEM."

WOULDN'T IT BE FAIR TO SAY "THE BARGAINS OF HURRAH ADVERTISERS HAVE MADE FINE SAVINGS FOR THE MANY WHO HAVE NOT BOUGHT THEM?" WHEN EVER YOU READ AN ADVERTISEMENT IN THIS SPACE YOU CAN FEEL ASSURED IT IS ABSOLUTELY TRUE.

WE WISH TO EXTEND OUR THANKS TO ALL WHO HELPED US TO BREAK THE RECORD LAST SATURDAY IN SALES, AND TO THINK WE BROKE THE RECORD WITHOUT EVEN ADVERTISING A SINGLE BARGAIN.
